2 September 1981

MEMORANDUM FOR: Director of Data Processing  
THROUGH : Executive Officer  
FROM : Chief, Management Staff  
SUBJECT : Management Staff Weekly Report  
for Week Ending 1 September 1981

Federal Information Processing Standards (FIPS)

Management Staff distributed for comments a proposed FIPS entitled, "Packetized Data Communications Networks and Equipment." This proposed FIPS defines procedures to be used at the interface between data terminal equipment and data circuit-terminating equipment for operation with packet-switched data communications networks. Comments are due in Management Staff by 30 October 1981. A consolidated Agency response will then be prepared for the National Bureau of Standards.

Funding and Staffing Profile for CAMS2

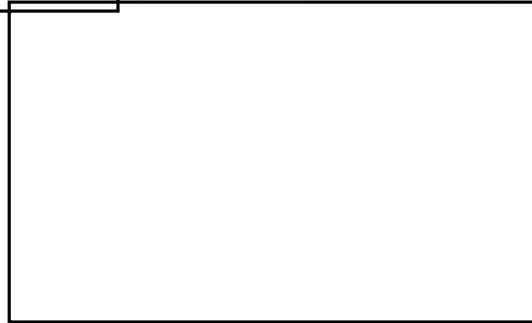

The Comptroller has requested a current funding and staffing profile for CAMS2 covering the period 1982-1987. This appraisal is to be compared with the 1983 budget submission and its out-year projections. The differences are to be noted and explained. This current appraisal will serve as a basis against which future changes can be made and explained. A mid-September completion date is requested. (U/AIUO)
